Dear Parent / Carers

School Closures

We would like to be able to contact parents via Parentmail when there are important or urgent issues we need to inform you of. School closures due to adverse weather conditions or reminders of school events for example.

The school was able to contact many parents last week, early in the morning, to advise of the recent school closures via a text or email from Parentmail.

In order for us to do this we would appreciate your permission that we may use the email and mobile telephone numbers held on your son's school records to enable us to do this. These details will be held by Parentmail and only available for our school to use.

Yours faithfully,

Mr N Fisher
Headteacher

TO: Mrs Shiret, PA to Senior Leadership

I give permission for my email and mobile telephone numbers to be used via Parentmail for

my son(s) _____

_____ Form(s) _____

Email(s): _____

Mobile telephone number(s): _____
